

## Saved & Single

- Author Unknown

*What makes you think that just because I am an  
Attractive woman of Godly intelligence  
That I'm incomplete without a mate?*

*Who told you that Without a man Something's missing From my life?*

*And if so,  
What would that be? Love? I love myself  
And more importantly I love the Lord!*

*He told me that when I delight in Him,  
He will give me the desires of my heart  
Security?  
I have everything I need according to His riches in glory.*

*Intimacy?  
Now, how's a man going to get to know me  
When he doesn't even know who he is in the Lord  
See my Father told me I'm above a ruby's worth  
And a gem does not seek It is sought  
I'm single and that's all right with me*

*See, it's not that I oppose relationships  
It's that I detest co-dependency  
As a woman I know it is not my role  
To chase after any man*

*Esther 2:14 reads; That I am to wait on my king and when he's delighted in me. He will call me by my name.*

*My Lord does not intend for me to be needy or desperate.*

*I am to be Cherished, Relished, Valued, and Honored,  
It's not my job to convince him Or Convict him of that,  
My mate will already know it And consistently show it  
And he will stay on his knees daily  
Not just to adore me But to praise the Lord for  
The virtuous woman he has found*

*So, when you see me by myself  
I'm not alone  
I know what I have coming to me*

*I'm single and saved, and right now that's all I need to be!*
